Reference: 2006 1st Quarter Report (1/1-3/31/2006)

Dear Secretary:

This letter is in response to letter RQ-2 from Leah S. Palmer, Senior Campaign Finance Analyst, Reports Analysis Division dated June 29, 2006, in regards to our April Quarterly Report.

Since it is part of our routine reporting procedure to reconcile the report we are currently preparing with the previous report, we were not surprised that we could find no discrepancies or omissions like those outlined in Ms. Palmer's letter.

My assistant spoke with Ms. Vicki Hubbard, another FEC Reports Analyst, July 6, 2006, in Ms. Palmer's absence. Ms. Hubbard indicated that the discrepancies actually go back to our July 2005 Quarterly. We respectfully request that Ms. Palmer take another look at our reports making sure she is comparing the correct versions.

Below is a list of the latest versions of the related reports:

2005 1st Quarter Form 3 - Amendment 2 dated 9/27/2005
2005 2nd Quarter Form 3 - Amendment 2 dated 11/5/2005
2005 3rd Quarter Form 3 - Amendment 1 dated 11/15/2005
2005 4th Quarter Form 3 - Original dated 1/24/2006
2006 1st Quarter Form 3 - Original dated 4/12/2006

If you still have questions or find discrepancies between our reports, please give us specifics so that we can address them. You may contact our office at (405) 843-4294.

Respectfully submitted,

Jerry Bowser
